

Event Sponsorship Opportunities

The 2008 IEEE International Conference on Intelligence and Security Informatics (ISI 2008) would like to offer tiered patronage opportunities and exhibit space for interested corporations. ISI 2008 conference attendees are researchers and security practitioners working in government agencies, law enforcement officers, public security consulting firms, and related industry and business organizations. The number of attendees at ISI 2008 will be between 250 and 350.
